2012 tickets or Vouchers to Tigers, Lions, U of M, MSU Football or Basketball Games

Tickets such as- theaters, music arenas, airline, amusement park, etc.

Gift certificates such as -restaurants, movie, hotels, bed and breakfast, museums, bookstores, department stores, coffee shops, gas stations, etc

- Create a basket of themed items – you could solicit these items and group them together or suggest to a local business that they create such a basket. This is especially good for a business such as a real-estate or insurance firm that wants visibility but can not distribute a product.
